This DVR provides the functionality of a Digital Video Recorder (DVR) for off-air TV with no ongoing cost for cable, satellite, or TiVo. The only basic drawback is that setting up a recording schedule is like with the old VCR's - you look up the schedule yourself of the program (TV Guide has a free App for the schedules on your tablet or smart phone); set the time and channel; and label the ...

How to Convert MiniDV to DVD Easily and Quickly

I bought one of the early Magnavox incarnations of this product 10yrs ago and it finally gave out. It was a great product. I saw this item and since it was physically identical to the previous one I had (the case and fascia haven't changed in a decade), I hit the buy button, assuming, if anything, it would be improved upon.
