Use wood screws to install the guide in place. Pick the screws that are slightly longer than 1 inch to accommodate the carpet's thickness. If the floor under the carpet is concrete, use a drill to make an installation hole (skip if you have a wooden floor). Test the door guide by opening and closing the door.

Tr6 Carpet Installation Tips Guide

Well, I finally got the floor totally sandblasted, epoxy primed, and painted. After letting the paint dry for three weeks, I am ready to install the underfelt and carpet. I bought the carpet and install kit from TRF. I bought the underfelt kit from Moss. I only have remnants of the underfelt and carpet - they were in a pile in the trunk when I bought the car.

Unbiased Carpet Buying Guide 2020 [14 steps to buying carpet]

Yesterday and today were finishing the carpet install. It's been a while since I installed a full carpet set (about 25 years), and I had forgotten how tedious this can be. The worst part was fitting the carpet on the tunnel cover so that forcing the center console into place didn't open up a gap.

Joe Curto has some great tips for the carbs. Here's something I can add. If you're using ethanol-blended fuel in your TR6, you'll likely experience hard starting when the engine is already hot. Many people misdiagnose this as vapor lock. The actual problem is fuel boiling out of the carbs and flooding the engine after it has been shut down.
