sturdiness and stamina, which has proved successful with horses of European lines, such as Animal Kingdom, who won the Kentucky Derby in 2010.

Thoroughbred Racehorse Training: How Horses are Prepared ...

The first training miles should be only slightly faster than a good jogging mile. A time of 2:10 is reasonable, but slower initial miles are not unusual. The training mile is always done the way a race is run, in a counterclockwise direction. Jog the horse two or three laps before and after each training session to limber up and to cool down.

Ascot or Cheltenham may be the ultimate dream, but many horses may only be capable of winning a little race at a smaller racecourse. The job of a racehorse trainer is to maximise each horse's potential in a relatively short timeframe.

Training the Racehorse: 2 y.o.

Aristeia

Lead changes, working and gate training are just three aspects in training a racehorse, but they are all essential. Once again, though, each horse is different and will progress at his own rate. Some may be lazy in the mornings and energetic during the afternoons. Others need time to acclimate to new surroundings.
