a pivot of sorts, stepping away from the pain and regret to ask an important question. How can I turn this impactful moment into something positive that may make me a better person? There are many examples of defining moments becoming turning points in a person's life trajectory.

Mark 9.2-9 Turning Points (McLarty) – Sermon Writer

A turning point describes exactly what it is – it's a pivotal moment within the story when the story takes a turn in a different direction and things change. This occurs either through the actions or decisions of the main character, or there's a significant reveal. It may be the character faces a terrible dilemma.

Moments. Moments are about the turning effect produced by a force around a pivot point. The further away the force is to the pivot point, the greater the turning effect. As this is linear, the moment of a force about a point can be calculated as the product of the magnitude of the force and the distance from the pivot point.
