product is a lightweight, palm-sized radio. Use it at sporting events to stay in contact with family and friends, hiking, skiing, outdoors, or in a neighborhood watch for vital communication.

Uniden — Uniden America Corporation

Power will help somewhat a 1 watt talkie won't have the range that a 3 watt one has, but it's not going to be very much in terms of distance. People who say this talkie or that talkie works better just by range aren't explaining what their test conditions are, so you have no idea what is between them and the other person.
