Patton has written many books on the art and science of program evaluation, including Utilization-Focused Evaluation (4th ed.,

Read PDF Utilization Focused Evaluation 4th Edition

2008), in which he emphasizes the importance of designing evaluations to ensure their usefulness, rather than simply creating long reports that may never get read or never result in any practical changes. He has written about evaluation, and worked in the field beginning in the 1970s when evaluation in the non-profit sector was a relatively new development.
