This is a great little YA book that delves into the Yellow Fever epidemic of 1793 in Philadelphia. Mattie's gumption and drive see her through some horrific experiences, as she becomes an adult and has to survive on her own in the city of brotherly love which loses that appellation fairly quickly as the disease takes hold.

There have been several claims for the longest sentence in the English language, usually with claims that revolve around the longest printed sentence, because there is no limit on the possible length of a written English sentence.. At least one linguistics textbook concludes that, in theory, "there is no longest English sentence." A sentence can be made arbitrarily long by successive ...
