Her first book, *Work. Pump. Repeat: The New Mom's Guide to Surviving Breastfeeding and Going Back to Work*, was inspired by her own experiences of circumnavigating the globe with a breast pump. She interviewed hundreds of working mothers and dozens of HR professionals to create a practical, relatable, judgment-free guide for women who want to try to continue breastfeeding after they've returned to work.

This book will tell you how to pump in an airplane, in a moving car, and virtually everywhere in between. This book will remind you you're not alone. We have dried breastmilk on our work clothes, too, and we're with you. This book is the anti-judgment, pro-sanity antidote to the Breastfeeding Wars.
