Wrath of the Prophets by Peter David | LibraryThing

Wrath of the Prophets is "old school DS9," if you will—Bajor-oriented, highly political, emphasizing a torn planet trying to cope with its own problems. The novel takes place between seasons three and four of the television series (after Sisko has been promoted to captain but before the arrival of Worf and the Klingons).

So the Prophet said: Tomorrow a star will come down at the house of one of my companions and he would be my Caliph and my successor. On the fourth day all the companions were waiting in at their houses for the star. Suddenly a star separated from the sky and due to that the whole world was illuminated, and came on the lap of Amirul Momineen (a.s.).

The Wrath of the Prophets was a plague that inflicted Bajor in the mid 24th century. This virus spread on the Bajoran home world in 2372 where the lack of a cure resulted in many on the planet believing that it was a sign of displeasure from the Prophets. (DS9 novel: Wrath of the Prophets)

Wrath Of The Prophets Star Trek Deep Space Nine

The Prophets, also known as "wormhole aliens" (mainly by non-Bajorans), were non-corporeal lifeforms that resided in the only stable wormhole known to exist, located in the Bajoran system. These lifeforms existed outside of linear time, and were simultaneously aware of the past, present, and the future. (DS9: "Emissary", "Destiny") The Prophets' origins remained unknown; however, they ...
